**The History of Communication**

**Media Localism**
The Policies of Place
CHRISTOPHER ALI

“Media’s woeful lack of localism is matched by lack of definition about what the term really means. Ali’s brilliant dissection of localism in the United States, the United Kingdom, and Canada provides a foundation for developing strategies to restore our vanished local media.”

—Michael Copps, former Commissioner of the U.S. Federal Communications Commission

**Mister Pulitzer and the Spider**
Modern News from Realism to the Digital
KEVIN G. BARNHURST

Tells the history of an American idea: that modern knowledge can be commanding and democratic at the same time.

“Ambitious and fascinating... A worthy invitation to further research and discussion about the role of journalism in society.”—International Journal of Communication

**Indians Illustrated**
The Image of Native Americans in the Pictorial Press
JOHN M. COWARD

“Rich in context and beautifully written. Other scholars have considered the stereotyping of Native Americans, but this book links the phenomenon to journalism/media history and explores the cultural significance of these widely circulated images.”—Janice Hume, author of Popular Media and the American Revolution: Shaping Collective Memory

240 pp. 7 x 10. 63 b & w photos. 2016. Paperback 978-0-252-08171-2. $29.95; E-book

**The Real Cyber War**
The Political Economy of Internet Freedom
SHAWN M. POWERS AND MICHAEL JABLONSKI

“In their excellent book... Shawn Powers and Michael Jablonski describe Google’s unprecedented dominance of the contemporary data economy. Drawing attention to the irregular regulation of the global data trade... they note the power of the internet-freedom agenda to legitimise a particular set of economic practices.”—The Guardian

288 pp. 6 x 9. 4 b & w photos, 1 line drawing, 1 chart, 8 tables. 2015. Paperback 978-0-252-08070-8. $25.00; E-book

**Making the News Popular**
Mobilizing U.S. News Audiences
ANTHONY M. NADLER

“In this imaginative and original history, Tony Nadler shows how, since the 1970s, U.S. news institutions have embraced the principle that consumer preferences rather than editorial expertise should determine the news agenda. Along the way, he asks important questions about the consequences of this enduring approach for our own digital news era.”—Kathy Roberts Forde, author of Literary Journalism on Trial: Masson v. New Yorker and the First Amendment

232 pp. 6 x 9. 1 table. 2016. Paperback 978-0-252-08311-2. $28.00; E-book

**Across the Waves**
How the United States and France Shaped the International Age of Radio
DEREK W. VAILLANT

“Vaillant’s stimulating analysis of a neglected dimension of transatlantic broadcasting brilliantly captures the dynamic interplay of international relations, technological change, and textual innovation, and sheds new light on the place of American radio in the global media landscape.”—Kate Lacey, author of Listening Publics: The Politics and Experience of Listening in the Media Age

**Radio Utopia**
Postwar Audio Documentary in the Public Interest
MATTHEW C. EHRLICH

“An excellent contribution to the now-burgeoning field of revisionist radio scholarship.”

—Technology and Culture

**The Real Cyber War**
The Political Economy of Internet Freedom
SHAWN M. POWERS AND MICHAEL JABLONSKI

Acid Hype
American News Media and the Psychedelic Experience
STEPHEN SIFF
LSD’s trip from multi-colored miracle to mind-melting menace.

“Stephen Siff . . . is never less than shrewd and readable in his assessment of how various news media differed in method and attitude when covering the psychedelic beat.” —Inside Higher Ed
284 pp. 6 x 9. 16 b & w photos. 2015. Paperback 978-0-252-08076-0. $28.00; E-book

Digital Rebellion
The Birth of the Cyber Left
TODD WOLFSON
Digital Rebellion examines the impact of new media and communication technologies on the spatial, strategic, and organizational fabric of social movements.

“A major contribution. . . . Eminently readable, Digital Rebellion is a mixture of reporting and theory all designed to move beyond the horizontal-vertical duality and achieve a synthesis that draws from the best of both worlds.” —Counterpunch
246 pp. 6 x 9. 10 b & w photos, 6 charts, screenshots. 2014. Paperback 978-0-252-08038-8. $30.00; E-book

Chasing Newsroom Diversity
From Jim Crow to Affirmative Action
GWYNETH MELLINGER
“Provides a compelling explanation for how forward-thinking goals can be felled by institutional prejudice. . . . Anyone interested in the social movements of the twentieth century will find the book a worthwhile read.” —Journalism History
264 pp. 6 x 9. 20 b & w photos. 2013. Paper 978-0-252-07894-1. $27.00; ebook

Race News
Black Reporters and the Fight for Racial Justice in the Twentieth Century
FRED CARROLL
African American reporters covering history.

“A thorough, well-researched, lively, and accessible account of the role of the Black press in the twentieth century, is a sympathetic and politically astute analysis of the paths navigated by black journalists, and the role played by them, in many of the key struggles for racial justice in U.S. history.” —Bill V. Mullen, author of Popular Fronts: Chicago and African American Cultural Politics, 1935–1946

Heroes and Scoundrels
The Image of the Journalist in Popular Culture
MATTHEW C. EHRlich AND JOE SALTZMAN
“With scores of examples and an extensive appendix of media sources, Heroes and Scoundrels is a terrific resource for courses in mass communication and society, contemporary issues in journalism, journalism ethics, media history, and related courses.” —Journalism and Mass Communication Quarterly
256 pp. 6 x 9. 25 b & w photos. 2015. Paperback 978-0-252-08065-4. $25.00; E-book

The Polish Hearst
Ameryka-Echo and the Public Role of the Immigrant Press
ANNA D. JAROSZYŃSKA-KIRCHMANN
“A superbly framed and detailed analysis of an influential crossover newspaper. . . . In The Polish Hearst, Jaroszynska-Kirchmann exposes the fascinating, interconnected layers of ethnic history through Ameryka-Echo’s multi-voiced record.” —Polish American Studies
304 pp. 6 x 9. 16 b & w photos. 2015. Hardcover 978-0-252-03909-6. $60.00; E-book

C. Francis Jenkins, Pioneer of Film and Television
DONALD G. GODFREY
“Media historians have not overlooked Charles Francis Jenkins, but neither have they given his story its due. Don Godfrey corrects this imbalance by probing traditional sources and cultivating evidence buried in unusual records—including Jenkins’s 283 patents. . . . Brings an American visionary to life.” —Journalism & Mass Communication Quarterly
304 pp. 6 x 9. 23 b & w photos, 7 line drawings. 2014. Hardcover 978-0-252-03828-0. $52.00; E-book

Newspaper Wars
Civil Rights and White Resistance in South Carolina, 1935–1965
SID BENDINGFIELD
How journalists enlisted on both sides of the mid-century struggle.

“Very well written and enjoyable to read. Journalists, Sid Bedingfield persuasively demonstrates, did not just document the civil rights movement in South Carolina, but rather they actively influenced its course and outcomes.” —Michael Stamm, author of Sound Business: NewsPaperbacks, Radio, and the Politics of New Media
