

2010 Subscription Agency Brochure

Dear Subscription Agent,

As we all prepare for the busy renewal season ahead, we would like to take this opportunity to present you with UIP's official journal price list for the 2010 volume year. This year's highlights include:

- UIP now publishes the *American Journal of Theology and Philosophy*, the official journal of the Highlands Institute for American Religious and Philosophical Thought.
- A new journal, the *Journal of Animal Ethics*, debuts in 2010. It is the first named journal devoted to animal ethics in the world and is published in partnership with the Oxford Centre for Animal Ethics.
- UIP is now the publisher of the online-only *Journal for the Anthropological Study of Human Movement*, a journal that presents current research and stimulates discussion of ideas and issues that arise from a study of human movement within the framework of anthropological enquiry.
- A new literary journal, *Packintown Review*, publishes established and emerging US-American and international writers as well as English translations of contemporary and classic works, especially from lesser-known languages.
- Several additional journal titles now offer "online only" subscription options.

All prices are listed in United States Dollars and are subject to change without notice. For the most current information on subscription rates and policies, please visit our web site at <http://www.press.uillinois.edu/journals>.
