I Fight for a Living
Boxing and the Battle for Black Manhood, 1880–1915
LOUIS MOORE
“Moore moves the reader beyond Jack Johnson by telling the stories of a generation of African Americans who labored with their fists at the beginning of the twentieth century. He weaves a narrative of migratory labor, racism, masculinity, and consumption that shaped the lives of working fighters.”—Derrick E. White, coeditor of Winning While Losing: Civil Rights, the Conservative Movement, and the Presidency from Nixon to Obama
Paperback 978-0-252-08287-0. $27.95; E-book

Kansas City vs. Oakland
The Bitter Sports Rivalry That Defined an Era
MATTHEW C. EHRLICH
“What a wonderful book for the sports fan or urban historian! Kansas City and Oakland were two second-class cities struggling for respect. This book tells the story of the competition between their big-league teams . . . a great and informative read.”—Bruce Kuklick, author of To Every Thing a Season: Shibe Park and Urban Philadelphia, 1909–1976
256 pp. 6 x 9. 16 b & w photos, 2 maps. 2019.
Paperback 978-0-252-08449-2. $19.95; E-book

The Revolt of the Black Athlete
50th Anniversary Edition
HARRY EDWARDS
With a new introduction and afterword
“The legendary Harry Edwards illuminates this edition with a deeply probing and personal half-century of perspectives, reflections, and wisdom. A generation later, it remains relevant to the current climate of athletic activism, and cannot be read without profit.”—Al-Tony Gilmore, Historian and Archivist Emeritus, National Education Association

The Gold in the Rings
The People and Events That Transformed the Olympic Games
STEPHEN R. WENN AND ROBERT K. BARNEY
“Wenn and Barney have produced another foundational text in Olympic history, this one exploring the deepening ties between the International Olympic Committee (IOC) and the generation of commercial revenue.”—Kevin Witherspoon, author of Before the Eyes of the World: Mexico and the 1968 Olympic Games
Paperback 978-0-252-08452-2. $24.95; E-book

Bloomer Girls
Women Baseball Pioneers
DEBRA A. SHATTUCK
“Shattuck sets out to discover how a gender-neutral game became so masculine by researching women’s organized baseball from antebellum American through the turn of the century. . . . This volume belongs in many public library sports-history and gender-studies collections.”
—Booklist

The Rise and Fall of Olympic Amateurs
MATTHEW P. LLEWELLYN AND JOHN GLEAVES
“The authors do a marvelous job highlighting the rise of amateurism from its stoic British roots, through Baron Pierre de Coubertin and other IOC Presidents to its de facto champion in Avery Brundage. The real benefit of the book, however, is that they also manage to show just how complicated and convoluted this journey was and indeed continues to be. Highly recommended.”
—Sport in American History

Game Faces
Sport Celebrity and the Laws of Reputation
SARAH K. FIELDS
“Although most of us are not celebrities, many people in many disciplines will profit from considering the tension between the media and the freedom they are provided by the First Amendment and the personal autonomy of famous people to control (and profit from) their names, images, and likenesses.”—Daniel A. Nathan, author of Saying It’s So: A Cultural History of the Black Sox Scandal

Sex Testing
Gender Policing in Women’s Sports
LINDSAY PARKS PIEPER
“Pieper does an exceptional job of detailing the history and methods of sex/gender testing and of connecting the phenomenon to larger sociological issues about appropriate physical activity for women. . . . Essential.”—Choice
264 pp. 6 x 9. 20 b & w photos, 3 charts, 2 tables. 2016. Paperback 978-0-252-08168-2. $22.95; E-book
A Choice Outstanding Academic Title

Wounded Lions
Joe Paterno, Jerry Sandusky, and the Crises in Penn State Athletics
RONALD A. SMITH
“For those well acquainted with Intercollegiate Athletics or for the casual fan this meticulous history will be a revelation. . . . What Ron Smith has done is produce a detailed indictment of an isolated administrative and athletic culture that left the institution and its representatives unable ‘to do the right thing,’ when faced with a crisis.”
—Huffington Post

Team Chemistry
The History of Drugs and Alcohol in Major League Baseball
NATHAN MICHAEL CORZINE
“Nathan Michael Corzine goes past the mythology and digs deep to reveal a game splashed with spilled whiskey and tobacco stains from its origins, where substances of various stripes were valued for the supposed ability to help athletes play better.”—Alternet
248 pp. 6 x 9. 2016. Paperback 978-0-252-08133-0. $19.95; E-book

Globetrotting
African American Athletes and Cold War Politics
DAMION L. THOMAS
“What Damion L. Thomas does in Globetrotting is put the role of athletes front and center, providing welcome depth to this well-known story line. Thomas also demonstrates how these ‘Cold Warriors’ began to control the diplomatic missions, straying from the State Department’s script to interpret their travels for themselves.”
—The Journal of American History

Cold War Games
Propaganda, the Olympics, and U.S. Foreign Policy
TOBY C. RIDER
“Rider provides an in-depth expose of the considerable value granted to athletic success. . . . Highly recommended.”—Choice
“A particularly fascinating piece of diplomatic history.”—Diplomat and International Canada
