Against Labor
How U.S. Employers Organized to Defeat Union Activism
EDITED BY ROSEMARY FEURER AND CHAD PEARSON

“Boldly challenges the scholarship that considers employers a malleable force that often compromises when social movements forge political environments that are inimical to their interests. Contributes enormously to our understanding of business tactics and strategy.” —Immanuel Ness, author of Guest Workers and Resistance to U.S. Corporate Despotism

Paperback 978-0-252-08233-7. $28.00; E-book

Labor Justice across the Americas
EDITED BY LEON FINK AND JUAN MANUEL PALACIO

“This is a fabulous book. As historians and social scientists return to the distributional dimensions of capitalist development, they should look closely at this anthology. It . . . lays out a template for analyzing a central institution in framing class conflict in the modern age: labor courts and the struggle for justice and recognition.” —Jeremy Adelman, author of Worldly Philosopher: The Odyssey of Albert O. Hirschman

Paperback 978-0-252-08306-8. $35.00; E-book

Frontiers of Labor
Comparative Histories of the United States and Australia
EDITED BY GREG PATMORE AND SHELTON STROMQUIST

“This excellent collection compares Australian and US workplace experiences. We expect the differences; these sophisticated labor historians also attend to the surprising extent of ‘commonalities,’ which seem to have grown over time.” —Melanie Nolan, editor of Revolution: The 1913 Great Strike in New Zealand

Paperback 978-0-252-08045-7. $22.00; E-book

Teacher Strike!
Public Education and the Making of a New American Political Order
JON SHELTON

“A brilliantly recounted, timely, and sobering tale that illuminates the tangled roots of educational inequality, teacher disempowerment, and urban underfunding that continue to plague public education. It will interest all those who seek to revive both our schools and our democracy.” —Joseph A. McCartin, author of Collision Course: Ronald Reagan, the Air Traffic Controllers, and the Strike that Changed America

Paperback 978-0-252-08238-6. $27.95; E-book

Sewing the Fabric of Statehood
Garment Unions, American Labor, and the Establishment of the State of Israel
ADAM HOWARD

“Groundbreaking. Adam Howard brings together new information and penetrating analysis of labor, ideology, and international relations that changes the paradigm for how we understand the U.S. role in Israel’s creation and, more generally, the impact of non-state actors in international affairs.” —Robert Anthony Waters, coeditor of American Labor’s Global Ambassadors: The International History of the AFL-CIO during the Cold War

Paperback 978-0-252-08301-3. $24.95; E-book

Victor Arnautoff and the Politics of Art

The Working Class in American History

The Making of Working-Class Religion
MATTHEW PEHL
“An important read for both scholars of labor and scholars of religion as a methodological model for advancing the study of religion, labor, and class . . . Pehl’s book teaches its readers—whether they be scholars, labor organizers, or graduate or undergraduate students—how to recover and interpret critically and empathetically, the religious worlds of working-class people.”—Labour/Le Travail
264 pp. 6 x 9. 11 b & w photos, 1 map. 2016. Paperback 978-0-252-08189-7. $30.00; E-book

Civic Labors
Scholar Activism and Working-Class Studies
EDITED BY DENNIS DESLIPPE, ERIC FURE-SLOCUM, AND JOHN W. MCKERLEY
“At once an introduction to the long tradition of engaged scholarship among labor historians and a guide to the richly varied ways many have found to make a difference today, Civic Labors is a perfectly timed treasure trove of inspiration.”—Nancy MacLean, author of Freedom Is Not Enough: The Opening of the American Workplace

On Gender, Labor, and Inequality
RUTH MILKMAN
“Milkman’s book is a must read, not only to remind those of us influenced by her excellent work how significant her scholarship was and is, but also for new scholars who can trace the intellectual evolution of a labor studies author whose writing has always been grounded in painstaking empirical research, and simultaneously dedicated to analyzing the origins and operation of social inequality, even as specific topics, theories, and approaches have shifted over time.”—Labour/Le Travail
328 pp. 6.125 x 9.25. 16 charts, 16 tables. 2016. Paperback 978-0-252-08196-5. $28.00; E-book

Conservative Counterrevolution
Challenging Liberalism in 1950s Milwaukee
TULA A. CONNELL
“A history that has been hiding in plain sight. . . . Connell’s book is a vital study of the roots of modern American conservatism.”—In These Times
“The story Connell tells is eerily relevant. . . . Tula Connell has written an important work. This is an outstanding piece of historical research, and should serve as a model for those interested in municipal history in all its nuances.”—The Independent Scholar
272 pp. 6 x 9. 8 b & w photos. 2016. Paperback 978-0-252-08142-2. $30.00; E-book

Women Have Always Worked
A Concise History
Second Edition
ALICE KESSLER-HARRIS
“While adeptly covering centuries of women’s work, this wise and wide-ranging survey engages big questions about values in private and public life and always keeps in view the range of life-situations among women of various descriptions. It is a treat to have this revised edition.”—Nancy F. Cott, author of Public Vows: A History of Marriage and the Nation

Manhood on the Line
Working-Class Masculinities in the American Heartland
STEPHEN MEYER
“A well-reasoned, thoroughly researched history that makes an important contribution to masculin-ity and gender studies, the sociology of work, labor history, and industrial relations.”—Choice
“An incredibly rich social history.”—The Michigan Historical Review
272 pp. 6 x 9. 2016. Paperback 978-0-252-08154-5. $30.00; E-book
Book of the Year, International Labor History Association

The Pew and the Picket Line
Christianity and the American Working Class
EDITED BY CHRISTOPHER D. CANTWELL, HEATH W. CARTER, AND JANINE GIORDANO DRAKE
“With this diverse collection of essays, Cantwell, Carter, and Drake admirably succeed in merging the histories of religion and the working class. Without exception the work is sharply focused and impeccably researched.”—History News Network
272 pp. 6 x 9. 2016. Paperback 978-0-252-08148-4. $28.00; E-book

Detroit’s Cold War
The Origins of Postwar Conservatism
COLLEEN DOODY
“Colleen Doody agrees with those scholars who see a contested New Deal liberalism and a power-ful conservation before the latter’s flowering in the 1970s. Her most important contribution is to show how ‘the ideas that became central to this [conservative] movement developed at a grass-roots level much earlier.’”—Labour/Le Travail
192 pp. 6 x 9. 3 tables. 2017. New in Paperback 978-0-252-08310-5. $25.00; E-book
